# A RANGE OF MOBILITY PRODUCTS FOR FREE !

With the right equipment many people can live safely in their own homes and be as independent as possible. That's why HAD (Hertfordshire Action on Disability) is working with the Hertfordshire County Council's (HCC) Herts Equipment Service to help people live safely at home for as long as possible.

To help more Hertfordshire residents achieve this, HCC is funding HAD to provide basic items of bathing and toileting equipment. This pilot project, which was launched in July, will run for two years and be available to any Hertfordshire resident over 18. Products available:  
**Bath Seats, Bath Boards, Toilet Surrounds, Mowbray Toilet Frames, Raised Toilet Seats.**

All customers will benefit from receiving friendly, expert advice from HAD's team of Occupational Therapists and their team of Trusted Assessors in the comfortable surroundings of their equipment centre in Welwyn Garden City.

As well as this service HAD also provide:

- A huge range of other mobility products;**
- A 24-hour accessible transport service;**
- A driving centre providing assessments and lessons and**
- Information and advice.**

in partnership with

**Enabling older and disabled people to lead an independent life**
